2016 BLUE C ADOM RED WINE

Our BLUE C wines from Israel are named in honor of our California RED C RED, Rosé and Sauvignon Blanc wines. Covenant's sister labels are meant to provide a high-quality quaff at a somewhat lower price point than our flagship wine. This is the first red wine to be released under our BLUE C series.

ABOUT THE WINE:

BLUE C Adom is a blend of Syrah and Cabernet Sauvignon, both grown in the Tel Faris Vineyard, where we also source the grapes for our Covenant Israel Syrah. BLUE C includes both free and press wine from the vintage which has created a robust yet supple-textured wine, perfect for everything from pizzas to pasta and grilled meats.

Fermentation was with native yeast - as with all of our wines - with barrel aging in French oak.
