2020 BLUE C ROSÉ

The grapes for this wine were grown in the coastal region near Zichron Yaakov. As with all our wines, we rely on native yeast for primary fermentation.

ABOUT THE WINE:

This rosé is 100% whole-cluster-pressed Carignan, giving us the purest expression of free run juice. Our BLUE C Rosé is barrel fermented in neutral French oak.

TASTING NOTES:

Rosé should be bright and refreshing. And that's exactly what you will discover in this rosé. On the palate you'll find hints of raspberry, strawberry, lemon and grapefruit. The finish leaves the palate fresh and clean, ready for the next sip.
