## 2019 Covenant Israel Cabernet Sauvignon

---

### CABERNET SAUVIGNON

#### **ABOUT THE WINE:**

This Cabernet Sauvignon is grown on rocky basalt soils at Tel Faris vineyard in the Golan Heights. The terroir in Tel Faris is well-suited for growing Cabernet Sauvignon and translates into a perceptible flavor profile distinct from our Napa Valley Covenant Cabernet Sauvignon. The wine was fermented with native yeast and native malolactic fermentation. It is quite interesting and delicious to compare the two wines - from California and Israel - side by side!

#### **TASTING NOTES:**

A richly textured wine, Covenant Israel Cabernet Sauvignon displays the hallmarks of fine Cabernet. Lush plum and blackberry flavors are highlighted by a subtle herbaceous thread that adds interest and complexity. Toasty French oak frames the ensemble along with fine-tuned, elegant tannins for structure.
