## 2021 LANDSMAN SYRAH

### SYRAH

#### **ABOUT THE WINE:**

Our second vintage of Robert Rae Vineyard Syrah is clearly showing it's pedigree as a cool climate varietal. The 2021 vintage was cooler than 2020, and we brought in the grapes on November 1st, two weeks later than we did the previous year.

Native yeast and native ML fermentation, combined with no filtration or fining, have yielded a wine that truly defines the terroir of its origin. The final product shows great typicity from this unique and unusual growing region in Southern California.

#### **TASTING NOTES:**

This is a fine-tuned, beautifully structured, moderately bodied wine that serves up classically earthy, meaty Syrah notes. There is a core of herbs and fall-inspired leaves that add interest to the subtle dried fruit and spice flavors.
