## 2023 THE TRIBE CHARDONNAY

### **ABOUT THE WINE:**

This fine-tuned Chardonnay was sourced exclusively from grapes grown at the Mettler Vineyard in the California delta town of Lodi. The grapes were harvested and then whole-cluster pressed. The wine was barrel-fermented with native yeast in neutral French oak and remained in barrels for 6 months prior to bottling.

### **TASTING NOTES:**

The Tribe Chardonnay is blessed with crisp acidity that gives structure to a core of lush-textured citrus, apple, pear and quince flavors. It finishes with a clean, mineral edge.
