## 2023 NESHAMA PROPRIETARY RED

*After almost a decade of acclaim, the 2023 Neshama Proprietary Red Wine makes a triumphant return with a masterful blend that captures the essence of an outstanding vintage. Revered for its exceptional quality and rarity, this winemaker blend is an embodiment of the craftsmanship and excellence of Covenant's non-Cabernet Sauvignon wines. Along with our Solomon Lot 70 and Cabernet Sauvignon, Neshama sets our standard for greatness, and as a result, typically sells out within weeks of release.*

### ABOUT THE WINE:

The 2023 Neshama exemplifies our vintage-driven approach to winemaking. Rather than following a rigid formula, each year's blend is determined by the quality and character of the individual barrel lots. This philosophy ensures that every Neshama release is a unique reflection of its vintage while maintaining the wine's signature style and complexity.

The limited production and selective release schedule have made Neshama one of our most requested wines

### TASTING NOTES:

This is a richly textured wine, replete with lush, round tannins that frame a multi-layered display of dark red fruit flavors. Blackberry, cassis, plum and black cherry come to mind, all laced with an appealing spice quality. The finish is long, lush and lingering.

### VARIETAL:

Syrah (60%); Malbec (30%); Petite Sirah (10%)

### APPELLATION:

Sonoma County

### PRODUCTION NOTES:

Native Yeast Fermentation;  
Native ML; Unfiltered; Unfined

### CASES PRODUCED:

250

### SUGGESTED RETAIL:

\$72
