2025 THE TRIBE SAUVIGNON BLANC

SAUVIGNON BLANC

ABOUT THE WINE:

The Tribe wines were created to bring premium mevushal wine to family celebrations, wines worthy of life's most meaningful moments. We're delighted to expand the collection with our 2025 The Tribe Sauvignon Blanc, a bright and vibrant expression from Lake County

TASTING NOTES:

This classic Sauvignon Blanc bursts with tropical aromatics of guava and passionfruit, offering a fresh, lively character that's both approachable and refined. Sourced from the same exceptional Lake County vineyard as our RED C Sauvignon Blanc, The Tribe offers a lighter style with lower alcohol, making it an ideal choice for extended gatherings and celebrations. Our refined flash pasteurization process, applied before fermentation, preserves the wine's bright fruit character and aromatic intensity while ensuring it meets the highest kosher standards.
