Covenant Israel BLUE C Viognier 2017

Our BLUE C wines from Israel are named in honor of our California RED C RED, Rosé and Sauvignon Blanc wines. Blue and white are the colors of the Israeli flag. This is the first white wine to be released under our BLUE C series.

ABOUT THE WINE:

BLUE C is to Covenant Israel what RED C is to Covenant California. Covenant's sister labels are meant to provide a high-quality quaff at a somewhat lower price point than our flagship wine.

BLUE C Viognier is sourced from the Manara Vineyard in the Galilee. After hand-picking, the grapes are pressed and the juice is transferred to older French oak barrels for fermentation with native yeast. When the wine has gone dry—with no remaining grape sugar—we monitor it with very little further interaction. Malolactic fermentation is discouraged. The wine was bottled in February.

TASTING NOTES:

Viognier has an exotic spice note that is apparent in this wine. The spice is followed by lovely stone fruit and citrus flavors, all couched in a light-textured, bright, fresh-tasting white wine.
