Something better than your favorite Scotch has arrived just in time for Passover: Covenant **DOUBLE-EDGED SWORD™**. This inaugural release has been bottled as Batch 5777. Fermented from Chenin Blanc at Covenant Winery in California, the wine was distilled and aged in Covenant barrels.

This is a smooth-textured spirit, redolent of coffee, camphor, butterscotch and spice. On the palate, it yields long-lasting flavors that evolve to reveal more depth and complexity on the finish.

DOUBLE-EDGED SWORD stands up beautifully to a fine cigar but is also highly appreciated with nothing more than the desire to drink an exceedingly refined spirit.

Kosher for Passover.

Only two barrels produced.
